_____ County, Texas

Affidavit for Prove-Up of Agreed Suit Affecting the Parent-Child Relationship

My name is _____. I am older than eighteen years old, and I am fully competent to make this affidavit. The facts stated in this affidavit are within my personal knowledge and are true and correct.

The children in this suit reside in the county where this suit was filed.

I am a parent of the following children: [list names and ages] :

(Check all that apply)

_____ (name of father) is the presumed, acknowledged or adjudicated father of the children.

Admissible biological testing results show _____ (name of father) is the father of the children.

_____ filed an Answer or Waiver of Service has signed the order in suit affecting the parent-child relationship filed with this court.

There were no court-ordered conservatorships, guardianships, or other court-ordered relationships affecting these children before this Suit Affecting the Parent-Child Relationship proceeding was filed.

There has been no family violence or abuse within two years before or during this suit.

The children do not own any property.

I have submitted an agreed order in suit affecting the parent-child relationship, which has been signed by the other parent and me.

The other parent and I are presenting an agreed final parenting plan to the court that is contained in our proposed order in suit affecting the parent-child relationship.

We are asking the court to appoint us conservators of these children as described in the agreed order submitted to this court.

The agreed parenting plan is in the best interest of each child, and I ask the court to render an order in accordance with the agreed parenting plan.

I ask that custody, visitation and support for our child/children be ordered as set out in the Order in Suit Affecting the Parent-Child Relationship that I have presented to the Court. I believe that these orders would be in the children's best interest.

I am asking the court to sign and approve this order in suit affecting the parent-child relationship.
